C/A Logistical and Operational Support ... North ...

Memo [redacted] to Acting AD/SO

25X1A9a

1. OPC planning has included rough C/A estimate

2. OSO area divisions will submit estimates by 30 June

3. Because Dept Defense will furnish much of material in earlier project "it is believed necessary to press for project approval . . ." on the earlier project.

25X1A9a [redacted]

4. OPC expects approval within 10 days after which the material in the state may be shipped immediately.

5. Specialized OSO material therefore may be shipped almost immediately - not have to wait for FY 54 as originally thought.

Commo has received forms from PC - will submit soon as HQ determination is made

---

TSS has requirements from Divisions - will submit them to OPC before 30 June Consolidated with SO & Commo require.

Problem of PRC projects for these stockpiles. (Up to date [illegible] HQ approved FE)
